154 KING EDWARD AVENUE

Welcome to Danforth Village! The quintessential starter home on a quiet, family-friendly street, steps to the Danforth and TTC. This updated semi-detached home features two spacious upper-level bedrooms, beautifully-renovated four-piece bathroom, two-piece main floor powder room, and an awesome kitchen with stainless steel appliances and gas range! Convenient back mud room with great storage, back deck with built-in lighting, stone patio and lounge area, and room left for a back lawn, wow! That's what a 125-foot depth will do! Rear parking pad can fit larger car, and don't ignore potential for basement renovation to add square footage!
